ATTENDANCE POLICY

It is important that you show activity in Blackboard so that I know you are staying up to date on the course. You need to get into the habit of logging into blackboard no less than 3 times a week on different days. Any student who goes more than 5 days without some kind of Blackboard activity should expect an email from me (so that I know you are still working through the content and not getting behind.) **However, it is still your responsibility to keep up with the classwork.**

DROP POLICY

If you wish to drop a course, you are responsible for initiating and completing the drop process by the specified drop date as listed on the [Academic Calendar](#). If you stop coming to class and fail to drop the course, you will earn an "F" in the course.
