The Star Spangled Banner

Oh, say can you see by the dawn’s early light
What so proudly we hailed at the twilight’s last gleaming.
Whose broad stripes and bright stars through the perilous fight
O’er the ramparts we watched were so gallantly streaming?
And the rockets’ red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
Oh, say does that Star Spangled Banner yet wave
O’er the land of the free and the home of the brave?
Commencement Speaker

Donna N. Williams
TSUS Regent

Donna N. Williams is a vice president and program manager for Parsons Government Services, Inc., a subsidiary of the Parsons Corporation, a global leader in engineering, construction, technical and professional services industries.

As a mechanical engineer, Ms. Williams has 28 years of program management, business development, project management and engineering design and construction experience in the government and private sector. In 1993, she received Parsons’ “Engineer of the Year” award and was selected to serve on the Corporation’s Leadership Council in 1999.

In 2008 and 2011, Gov. Rick Perry appointed Ms. Williams to The Texas State University System Board of Regents, and in November 2010 and 2011 she was elected Vice Chairman of the Board. She currently chairs the Finance and Audit Committee and Information Technology Task Force. She also chaired the third Chancellor Search Committee. Prairie View A&M University featured Ms. Williams in its Spring 2011 “1876” Magazine and the August issue of Eclipse Magazine featured her in the tribute to “2008 Women That Mean Business” series. She serves on the Laura W. Bush Institute of Women’s Health National Advisory Board of Directors, the Dallas African American Museum Board of Directors and is a member of the Arlington Alumnae Chapter of Delta Sigma Theta Sorority, Inc., and numerous civic and charitable organizations.

In 2003 and 2007, President George W. Bush nominated and the U.S. Senate confirmed Ms. Williams to the Corporation for National and Community Service Board of Directors. Previously, she served on Gov. Perry’s Blue Ribbon Volunteer of the Year Award Selection Panel and on the Texas Inaugural Committee in 2007 at the request of Lt. Gov. David Dewhurst.

U.S. Black Engineer & Information Technology selected Ms. Williams as one of the 100 Most Important Blacks in Technology for 2006. The National Women of Color in Technology Conference honored her with the 10th Annual Community Service Award in 2005, and the Women’s Transportation Seminar for the Greater Dallas/Fort Worth Chapter recognized her as a “Woman of Inspiration” in 2002.

She holds a bachelor of science degree in mechanical engineering from Prairie View A&M University. She is also a certified personal trainer from the Cooper Institute for Aerobics Research. Ms. Williams is married to Michael L. Williams.
