STARFISH

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION

MY TEACHING PHILOSOPHY

College level writing is much closer to workplace writing than it is to high school writing, in content, in tone, and in purpose. My purpose is to teach all students a writing process they can use whether they go on with their education, or go on with their chosen careers, after LIT. The writing process I teach also helps students improve their critical thinking skills by giving them plenty of opportunities to think critically about their own, and others, writing. I also believe that good editing is more important than good writing. All students are welcome to edit and resubmit their writing assignments, except for final draft writing assignments, by their due dates.

MY RESPONSE TIME

1. I only answer my phone when I am in my office.
2. I only return calls that leave a voicemail. I get a ton of robocalls to my office number.
3. The best way to reach me is through my LIT email, rjmccllland@lit.edu.

4. I answer emails within 24 hours except for emails received after noon on Fridays, weekends, and campus holidays.

MY LIT EMAIL

1. Not communicating with me because your LIT email is not working is not a valid reason for not responding to my emails, or for not emailing me.
2. You are welcome to email me screenshots of what you need help with.
3. I will email an announcement to your LIT email the first day of class. Plz respond to it so we will both know your LIT email is working.
4. If your LIT emails is not working, you will need to contact Students Services for help.

MY BLACKBOARD MESSAGES

1. Check the Send to Email box above Blackboard Messages textbox if you want a faster response.
2. If you use Blackboard Messages to contact me, and I don't respond within 24 hours, send the same message to my LIT email, rjmccllland@lit.edu.

MY BLACKBOARD ANNOUNCEMENTS

1. Announcements in Blackboard are posted to the Announcements web page that you see when you log into class. They are important, so be sure to read them.
2. Announcements are also emailed to your Blackboard email, which you can check at MyLIT.

MY TECHNOLOGY REQUIREMENTS

1. Use Chrome or Firefox as your browser. Edge and Safari do not work well with Blackboard.
2. If you do this class's assignments on a cell phone, a tablet, or a netbook, make sure you are seeing all assignments as they are presented on a desktop computer.
3. Not having the correct technology, device, or internet is not a valid excuse for not doing assignments or tests.

MY STUDENT BEHAVIOR EXPECTATIONS

1. Keep in mind that each student comes from a different cultural background and brings with her or him a different set of beliefs and values.
2. As a result, students may disagree on various topics during class discussions.
3. Disagreements lead to critical thinking, scholarly debates, and learning only when each member of the class respects the different opinions of others.
4. Disrespect for others will not be tolerated.

MY DUE DATE POLICIES

1. All assignments have due dates.
2. I do take late work, but late work is not graded until the end of the semester.

MY GRADING POLICIES

1. I grade assignments Monday through Friday during my office hours.
2. If your assignment has not been graded within 72 hours, email me and let me know it needs to be graded.

3. Missing assignments will be given a 0, which will be added to the Overall Grade calculation.
4. All grades are recorded in Gradebook on Blackboard.
5. It is the student's responsibility to make sure their grades on their assignments match their grades in Blackboard Gradebook.
6. If there is a discrepancy, email me the assignment title so I can correct it.

MY ACADEMIC HONESTY AND PLAGIARISM POLICIES

1. Academic honesty is expected on all assignments. See LIT student handbook for more information about academic honesty and the penalty for breaking academic honesty.
2. Plagiarism is submitting someone else's work, either published or not, as your own, and is not allowed.
3. Plagiarism includes everything from using AI to write your writing assignments; using your own work from a previous class, even if it was my class; patchworking sentences together from the internet; rewriting sentences from the internet; to using someone else's work.
4. All writing assignments are submitted to a plagiarism checker in Blackboard to be reviewed for plagiarism and AI composition, but this is not the only method I use to check for plagiarism and AI detection.
5. Students who plagiarize or use AI may receive a 0 on the assignment, a 0 on the entire unit, or may receive an F for the entire course.
