

Lamar Institute of Technology and Silsbee Independent School District

Dual Enrollment Agreement 2018-2019

This agreement is made by and between the Lamar Institute of Technology (LIT) and the Silsbee Independent School District (ISD). The purpose of this Agreement is to allow for eligible high school students to enroll in college courses and receive credit for courses from the School District and LIT. The following terms and conditions shall govern the eligibility and enrollment of the students and the administration of the high school and college courses offered via dual enrollment effective August 1, 2018.

I. General Information.

- A. Academic credit or technical courses may be provided at a high school in the ISD or at LIT.
- B. Credit and noncredit courses offered on either the high school or the LIT campus will be eligible for dual enrollment status.

II. Eligible Courses.

- A. College courses listed in the LIT Catalog are eligible for dual enrollment.
 1. Exceptions include:
 - a. Competitive entry allied health programs.
 - b. Courses that have additional requirements. For example, Emergency Medical Services Program (EMSP) classes require that students be 18 years of age.
- B. Eligible courses may be taken in any format that the college offers them unless otherwise specified in the agreement.
- C. Establish Course(s).
 1. The high school must request, in writing, to offer a dual enrollment course on the high school campus. The request must include the course title, course rubric, faculty member, course location, and course meeting times. Requests must include dual enrollment courses for the academic year (fall semester and spring semester). Requests must be submitted to the LIT Vice President for Student and Academic Success.
 2. For courses that begin in the fall semester, LIT must be notified no later than the first working day in June.
 3. If the request is approved, the course will be added to the LIT schedule. Until this process has occurred, students will not be able to register for the course(s).
 4. The Vice President for Student and Academic Success will forward the list of courses being taught to the Department Chairs after receiving them from the ISD. The Department Chairs will send LIT syllabi for each course to the Principal of each high school. Before the first class meeting, ISD will send the teachers individual syllabus for each course.

III. Student Eligibility.

- A. A student enrolling in dual enrollment college credit course(s) must qualify according to the following criteria:
 1. GPA.
 - a. Unweighted cumulative GPA of 3.00 for academic course(s).

- b. Unweighted cumulative GPA of 2.00 for technical course(s).
- 2. Academic and Technical Course(s): Students applying for Dual Enrollment course(s) with the intent of pursuing an Associate's degree, **must** achieve a satisfactory score on the TSI™ test prior to their Application Date.
- 3. Technical Course(s): Students applying for Dual Enrollment course(s) with the intent of pursuing a Level 1 Certificate are not required to be TSI complete. However, students will be required to meet TSI requirements for applicable degree changes or courses that require satisfactory score on the TSI.
- 4. TSI Score requirements, in the tables below, are subject to change. TSI score requirements will be based upon the current THECB guidelines.

| | | |
|--------------|---|---|
| STAAR | Score of Level 2 on Algebra II EOC, Score 4000 Score of Level 2 on English III EOC, Score 4000 | Score of Level 2 on Algebra II EOC, Score 4000 Score of Level 2 on English III EOC, Score 4000 |
| TSI | Mathematics score of ≥ 350 Reading score of ≥ 351 and Writing score of ≥ 340 with 4 on essay | Mathematics score of ≥ 350 Reading score of ≥ 351 and Writing score of ≥ 340 with 4 on essay |

- 5. As of August 22, 2017, minimum scores for the MATH 1332, MATH 1314, and ENGL 1301 are as follows: (subject to change by Texas Higher Education Coordinating Board)

| | |
|--|---|
| Contemporary Mathematics (MATH 1332) | Mathematics score of ≥ 350 |
| College Algebra (MATH 1314) | Mathematics score of ≥ 350 |
| English (ENGL 1301) | Reading score of ≥ 351 and Writing score of ≥ 340 with 4 on essay |
| Technical Courses (When pursuing AAS) | Mathematics score of ≥ 350 Reading score of ≥ 351 and Writing score of ≥ 340 with 4 on essay |

- B. High school students who need college level courses in order to continue to study in a discipline will be eligible to take dual enrollment courses offered on either the high school campus or the college campus.
- C. Students must meet the stated pre-requisite(s) and/or co-requisite(s) of each course and be at least in the 9th grade.
- D. It is strongly recommended that the background and maturity level of the student be considered prior to registration in any college credit course.
- E. Seniors who will graduate at the end of the high school second semester are eligible for dual enrollment participation during Summer I and Summer II of the year in which they graduate provided that the course(s) and credits may be recorded on the high school transcript by the date of high school graduation. All other eligible students may participate in Summer I and II.

IV. Admissions and Registration.

A. Counseling Sessions.

- 1. College personnel will provide the high school Principal and counselors with pertinent information concerning the dual enrollment course(s).

2. Students will be permitted one attempt per dual enrollment course.
- B. LIT will provide a student application Checklist that will identify the steps in completing the application process. The student and the parent/guardian should review the checklist and verify the respective application steps have been completed.
- C. TSI testing needs to be completed as early as possible prior to the beginning of the semester. If the participating High School does not conduct their own TSI Testing, School District personnel should coordinate required testing with LIT Testing Center, (409)839-2027 or testingcenter@lit.edu
- D. Texas Senate Bill 1107 requires that all new students under age 22 who attend on-campus classes at an institution of higher learning either receive a vaccination against bacterial meningitis or meet certain criteria for declining such a vaccination before the first day of the semester. The law states that students who do not qualify for an exemption must be immunized no later than 10 days prior to the first class day. All students under the age of 22 attending classes at LIT must comply with this requirement.
- E. High school counselors will:
1. Provide advising and disseminate dual enrollment program information to students and parents.
 2. Provide course descriptions and course syllabi to students and parents for review during the approval process for students.
 3. Facilitate Dual Enrollment Applications
 - a. Provide instruction and guidance in completing and submitting the "Apply Texas" application.
 - b. Generate and submit an official high school transcript using Texas Records Exchange (TREx) or by mail to Lamar Institute of Technology, Office of Student Success P.O. Box 10043 Beaumont, TX 77710.
 - c. Identify students that may require additional documents (ex. immigrants).
 4. Submit 504 Plan to the LIT Special Populations Coordinator.
 5. Residency. Proof of residency is not required for high school students registering for dual enrollment classes at LIT. Students must meet the residency requirements after high school graduation to continue their education at a postsecondary institution. Non-residents must provide one of the following documents:
 - a. U.S. Passport (current or expired) - unless stamped non-citizen national.
 - b. U.S. Birth Certificate.
 - c. Certificate of U.S. Citizenship (Form N-560 or N-561) issued by USCIS through a federal or state court or through administrative naturalization after December 1990.
 - d. Certification of Naturalization (Form N-550 or N-570) issued by USCIS.
 - e. Permanent Certificate of Naturalization.
 - f. Resident Card with photograph (Form I-151) issued since 1997 or later.
 - g. Resident Alien Card (Form I-551) issued before 1997.
 - h. Consular Report of Birth Abroad (Form FS-240) Issued by State Department and valid photo ID.

F. Timeline

Students applying for admission to Lamar Institute of Technology should complete the application, and submit required documentation well in advance of the Semester and Year for which they are applying. The following should serve as a timeline guide for the respective semesters:

FALL Semester – July 1st, SPRING Semester – November 1st, SUMMER – April 1st

V. Course Curriculum, Instruction, and Grading.

A. Curriculum.

1. Dual enrollment courses are college classes and have the academic rigor expected in all college coursework.
2. College courses will be taught according to the approved college syllabus.
3. LIT will provide in-service through the Teaching and Learning Center for ISD faculty teaching courses for dual credit to ensure academic rigor is maintained in the dual credit courses.

B. Curriculum Alignment.

1. High school Principals and college personnel will coordinate course offerings with the high school curriculum in accordance with locally established procedures.
2. The ISD faculty and LIT faculty must meet each semester to review the curriculum, methodology, schedules, and student evaluation.
3. LIT and the ISD will monitor the quality of instruction in all courses for dual credit to assure compliance with standards established by the State, Southern Association of Colleges and Schools, LIT, and the ISD.

C. Instruction.

1. Schedule.
 - a. Dual enrollment courses taught by LIT faculty and ISD faculty will be taught in accordance with the LIT schedule and calendar or as agreed upon by ISD and the LIT Vice President of Academic Affairs.
 - b. All courses taught for dual credit must meet the instructional minutes required by the Texas Higher Education Coordinating Board.
2. The student and/or parent(s) shall be responsible for the student's transportation and accept all liability for all courses taken on the LIT campus.
3. College instructors must comply with all applicable rules governing attendance, classroom management and record keeping while conducting courses on the high school campus.

D. Grading.

1. Standard college exams will be used where applicable.
2. Grading will be consistent with the grading policy in the LIT course syllabus. Audit grades are not allowed.
3. Student grades will be reported to the ISD at the end of the semester to the person or office designated by the ISD to receive this information.

4. Final grades for students shall be submitted electronically by the faculty member teaching the course according to the LIT Grade Reporting Process and the LIT Academic Calendar.
5. Grades will be reported to the ISD as requested for students registered for dual enrollment classes on the LIT campus.

VI. Transcription of Credit.

- A. Approved dual enrollment courses will be used to fulfill high school credit graduation requirements or elective credit.
- B. All college credit courses offered will meet the guidelines for transferability of credit under the Texas Education Agency Dual Enrollment policy.

VII. Dual Enrollment Program Policies.

- A. College instructors teaching on the high school campus during regular school hours will be required to attend organizational meetings, when requested.
- B. It will be the responsibility of the high school Principal to ensure that high school instructors teaching dual enrollment courses abide by the conditions of this agreement.
- C. Dual enrollment instruction must be provided for dual enrollment students only. ISD students and dual enrollment students may not receive instruction in the same classroom at the same time.

VIII. Faculty Selection, Supervision and Evaluation.

A. Selection.

1. Instructors for college courses offered at the high school during regular school hours are to be agreed upon mutually by the high school Principal and college personnel in accordance with locally established procedures.
2. Dual enrollment faculty members must meet the criteria specified by LIT and the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).
3. Procedure to approve high school dual enrollment faculty:
 - a. The Principal must recommend personnel to teach dual enrollment classes. The Principal must submit the recommendation in writing along with copies of credentials that support the recommendation. Documents must include official transcripts. Other documents may include copies of licenses, work verification, etc.
 - b. The Principal and the Vice President for Student and Academic Success will mutually agree upon the faculty members assigned to teach dual enrollment classes on the high school campus. If no agreement can be reached about any faculty member assigned, the course will not be taught as a dual enrollment course.
 - c. All documents must be submitted at least thirty (30) days before the faculty member teaches a dual enrollment course(s).

B. Faculty Background Screening.

1. College faculty who teach dual enrollment courses on the high school campus may be required to undergo background screening conducted by the school district. LIT will be responsible for ensuring that all such employees have been screened by the school district prior to their teaching assignment.

2. Although the school district cannot make decisions related to the employment of LIT instructional staff, they can use the results of the background screening to prohibit such personnel from teaching on the high school campus.
3. LIT will be responsible for the costs associated with the background screening for LIT employees.
4. The ISD will be responsible for the costs associated with the background screening for ISD employees.

C. Faculty Evaluation,

1. Evaluation of instructors on high school campuses shall be conducted by LIT as follows:
 - a. The Principal will inform each instructor that he/she will be involved in an evaluation program conducted by LIT and that this program will not be used to determine the employment status of the instructor. The information should be provided to the instructor prior to being assigned a dual enrollment class.
 - b. LIT will identify the college administrator who will be conducting the evaluation program at each high school and provide the name of such person prior to the beginning of each school year to the Principal.
 - c. The LIT evaluator will review the evaluation program with the instructor. The review shall include a full explanation of each evaluation instrument and an assurance that none of the forms will be placed in the instructor's personnel file at the school district office. Each instructor will be provided with a copy of each evaluation instrument. The Principal, LIT evaluator and instructors will decide collaboratively how and when the evaluation will be implemented. The decision should include the following:
 - i. Date the Faculty Evaluation form will be given to students and procedures for collection.
 - ii. Month of school year that classroom observations will be conducted and should include: who will conduct the observation, number of observations, and procedures of scheduling pre and post observation conferences.
 - iii. The manner in which the Faculty Evaluation form will be completed and how it will be shared with the instructor. The faculty will receive a personal copy of the evaluation. Only upon the faculty member's request and/or approval will a copy be shared with school or district personnel. This summative conference should occur no later than 10 days after the last observation.
 - iv. The LIT evaluator, upon the request of the Principal, will coordinate with the Principal for the purpose of discussing the program and decide upon a time when the Principal and evaluator will schedule an orientation meeting. The orientation meeting should be scheduled during the first month of the new school year.

IX. Academic Policies and Student Support Services.

A. Students with Disabilities

1. The ISD is responsible for providing and funding reasonable accommodations for dual enrolled student(s) with recent and/or well documented physical and/or learning disabilities during regular high school hours on the high school campus(s). Students with disabilities who are accepted into a dual enrollment course will receive accommodations listed in the Transition Plan.
2. **Additional testing to receive these accommodations will not be required for students taking courses on either the high school or LIT campus.**
3. The ISD and LIT will share equally in the cost of reasonable accommodations that are mutually agreed upon for dual enrolled student(s) who are registered for LIT dual enrollment course(s) on the LIT campus or at another location, i.e., high school campus outside of the normal high school hours.
4. Nothing herein shall make LIT a party to the Transition Plan nor shall LIT be given or required to have a Transition Plan with a dual enrollment student. LIT's Office of Special Populations shall work with ISD to determine needed accommodations.

B. Confidentiality.

1. Each party acknowledges that each party will send and receive information on students which is considered confidential under federal and Texas laws.
2. Each party agrees to protect and hold confidential information except by written authorization from the student and/or parent, or unless otherwise authorized or required by law or rules.

C. Attendance.

1. In the event that the college instructor is unable to attend a scheduled class, the college will provide a qualified substitute instructor. The high school will provide a qualified substitute instructor in the event that the high school instructor is unable to attend a scheduled class.
2. Lamar Institute of Technology agrees to:
 - a. Coordinate and confirm with School District personnel LIT dual enrollment registrations at least one week prior to the first day of class.
 - b. Coordinate and confirm, with high school dual enrollment contact, when a student drops or withdraws from a course.
 - c. Notify high school counselors when a student has unexplained absences or is in jeopardy of failure.
3. The ISD will supervise a change in student enrollment status.
 - a. Notify the LIT Student Success Department representative about a student's intent to drop or withdraw from course(s).

D. The ISD will assure that the student completes the LIT Drop/Withdrawal form to change their enrollment status.

Suspension Policy.

1. When a student is suspended from an ISD school, for any reason, the student will not be permitted to attend dual enrollment classes on LIT's campus for the dates indicated in the suspension.

2. The school Principal will notify the Vice President for Student and Academic Success of the suspension. The suspended student will be subject to any penalties noted in the syllabi of the LIT courses in which he/she is registered.

X. Funding.

A. Tuition. Please Check Responsible Parties and Initial

1. _____ Silsbee ISD will pay tuition and fees for students enrolled in dual credit courses according to Table 1: *Tuition and Fees*
2. *RB* Parent/Guardian will pay tuition and fees for students enrolled in dual credit courses according to Table 1: *Tuition and Fees*
3. Tuition rate is \$110.00 per Semester Credit Hour if the course is taught by an LIT instructor.
