Fall & Spring Semester

4 absences — Tuesday/Thursday or Monday/Wednesday classes

2 absences — Classes meeting one time per week

I will not be accepting doctor excuses or excuses in my class unless it is school related.

Keep in mind that no make-ups will be given for in-class assignments (assignments that are dispensed and completed during the same class period), because they are tied to a particular class session.

- **If you have your cell phone on the desk, utilizing it or if it is ringing minus 20 points will be deducted from the assignment that is currently due. 2nd offense will be dismissed from class. 3rd offense will be asked to drop the class.**

Make-up Policy:

You will be given one week to present your speech and you are required to present during that time frame

- Students absent from class on scheduled speaking dates, days in which exams are given or assignments are due will receive a zero (0) for the assignment or exam.

SPEECHES

- All students are required to be present for every other student's speech and this rule goes for all speeches presented in the course. If you are absent or leave early on any of the speech days, you will receive a "0" for your personal speech grade. The instructor reserves the right to modify this under his/her discretion, see Make-up-Work. This is a speech course if you skip, miss, or do not give any of the major speeches you will receive an "F" for the course.

Note cards: When you present your speech, you will be required to write your speech on note cards and use the note cards while presenting the speech. If you do not have note cards, I will subtract 10 points or more from your grade. (This could really hurt your grade for the speech)

Participation and Punctuality Policy

It will benefit the student to be on time for class. Thus, something may be said that is of extreme importance, but because you were late you did not get the message. The instructor is not obligated to repeat information that is missed due to lateness or absence.

1. Students must participate in all activities and class discussions.
2. Students must submit all assignments on the day scheduled.
3. Students must successfully complete all assignments related to the course.
4. Students who are late after the instructor has called the roll will be considered absent.

Reading Assignments/Class Participation Policy

Students are to read assignments prior to coming to class. There may be a pop quiz every week before or after each chapter discussion. Students will be expected to participate in discussions, ask and answer

questions, and offer critical reviews of the materials. You can't make up a pop quiz if you are late or absent from class.

Written Assignments

All written assignments must be turned in on the day(s) posted and stapled. All written assignments must be computer generated on clean, unwrinkled typing paper 8 ½ X 11. This applies to out of class assignments. It will not be accepted any other way. When submitting assignments, answering test questions, etc., be sure you spell correctly, use appropriate punctuation and grammar, and write paragraphs that include details that show progression of thought.
