ATTENDANCE POLICY

Students are allowed three absences for the semester and will then have absences excused on a case by case basis. Unexcused absences after that point will result in the loss of 5 points from the final grade for each absence. Your attendance record will be regularly recorded in Starfish so that you can log in and check it throughout the semester. I know that there are a lot of reasons why students might need to miss. The key here is to communicate with me if you must miss more than three days. I will excuse additional absences on a case by case basis. **If I don't hear from you, additional absences will be unexcused and will count against your final grade.**

DROP POLICY

If you wish to drop a course, you are responsible for initiating and completing the drop process. If you stop coming to class and fail to drop the course, you will earn an "F" in the course.

ARTIFICIAL INTELLIGENCE STATEMENT

Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI), such as ChatGPT, have changed the landscape of many career disciplines and will impact many students in and out of the classroom. To prepare students for their selected careers, LIT desires to guide students in the ethical use of these technologies and incorporate AI into classroom instruction and assignments appropriately. Appropriate use of these technologies is at the discretion of the instructor. Students are reminded that all submitted work must be their own original work unless otherwise specified. Students should contact their instructor with any questions as to the acceptable use of AI/ChatGPT in their courses

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record

student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION

- **Respectful participation in class discussions is expected. At times, students may have differing viewpoints from those of their classmates. Disagreements lead to critical thinking, scholarly debates, and learning, however, disrespect for the opinions of others will not be tolerated.**
- **Sleeping is not allowed in class. If a student is caught sleeping in class, there will be a warning (to be discussed in class), after that there will a consequence which may include an essay test.**
- **Food will be allowed in class as long as it does not interrupt class instruction. Please clean up after yourself. ***Do not leave my class to pick up Door Dash.**
- **Habitual tardiness exhibits a lack of consideration for others because it is disruptive, therefore students will receive one absence after three tardies, and this process will be repeated for every three late appearances to class. Being tardy on day of an exam may result in a student not being allowed to take the exam.**
- **You are expected to take care of restroom needs before class. If you must go in the middle of class, just go, however, regularly getting up to leave in the middle of class will result in you being counted absent.**
- **Cellphone usage during class instruction or class work will not be tolerated. If cellphone usage is observed, there will be a warning. After that, there will be a consequence which may include an essay test.**
- **It is my policy that I do not accept late work. I also know that there are sometimes unforeseen circumstances that arise where exceptions should be made. Please contact me if something happens, so that arrangements can be made. THERE IS NO EXCUSE FOR HABITUALLY TURNING IN ASSIGNMENTS LATE.**
- **Assignments will be graded within one week of submission.**
- **Do not drop the course without talking to me first. I may offer extra credit opportunities throughout the semester. I also may be able to offer additional resources to help with areas of concern. Students have dropped in the past when there is a good chance that they would not fail.**
- **If a student does not log into Blackboard or stops turning in assignments, they are not automatically dropped. Please make sure that you take the appropriate measures to drop the class. Below are the drop dates for the course:**

Last Day to Drop Without Penalty: September 27, 2024

Last Day to Drop With Penalty: November 1, 2024

- **I prefer emails from your LIT Account. There is sometimes a delay with using Blackboard Messenger.**
- **I check all written assignments for AI generated content. I reserve the right to fail an assignment if I find it has been either plagiarized or AI generated. This is especially true on discussion posts. I am more interested that you understand the material. You can express this using your own words through discussion posts.**
