ATTENDANCE POLICY

State law (TEC 25.092 and 11.158) contains a provision of law commonly referred to as the “90 percent rule,” which applies to any student in grade level K through grade 12. Generally, to receive credit for the award of a final grade for a class, a student must be in attendance for at least 90 percent of the days the class is offered, even if some or all of the absences are deemed excused. A student who is in attendance at least 75 percent, but less than 90 percent of the days offered may be given credit or a final grade if the student completes a plan approved by the Principal that provides for the student to meet the instructional requirements of the class. Students whose attendance falls below 75 percent are required by Beaumont ISD Student Attendance Procedures Manual 9 | Page to petition for the award of credit or a final grade from the campus attendance review committee. There are some exceptions to the 90% Rule based on provisions of law and documented extenuating circumstances.

DROP POLICY

If you wish to drop a course, you are responsible for initiating and completing the drop process. If you stop coming to class and fail to drop the course, you will earn an “F” in the course.
