ATTENDANCE POLICY

- Students are expected to be in class. Absences must be limited to serious illness with a Dr.'s note and/or immediate family emergencies. **Three (3) absences will result in a letter grade reduction.** Excessive tardiness (more than 10 minutes/class or more than 2 consecutive classes) will result in an absence being awarded.
- The terminology ***excused*** or ***unexcused*** absence does not apply to this class. All absences are equal. Therefore, no matter the circumstances involved in the student's absence it will be counted towards the total for the semester.

- The sign in sheet will be taken up 15 minutes after class starts. If you are more than 15 minutes late to class you will be counted absent. Also, if you leave the classroom for more than 15 minutes you will be counted absent.
- When absent, the student is required to contact the instructor and make them aware of the absence and to obtain any missed assignments and/or information for the missed class.

DROP POLICY

STARFISH

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. ADDITIONAL COURSE POLICIES/INFORMATION

- No food, drinks, or use of tobacco products in class.
- Cellphones and any other electronic devices must be turned off while in class.
- Do not bring children to class.
- All assignments are due at the beginning of class and/or when stated in the syllabus. ***Late assignments will not be accepted and will result in a grade of ZERO.***
- All exams will be on the dates specified unless the instructor makes a change. ***If the student misses an exam due date, the student will be given a 0 after midnight on the day that it was due.*** Before midnight the day of the test, the score will drop 10 points for every hour the exam is late beginning with the time it was due. For example, if the test is due at 7:00 and the student turns in the exam at 7:01 the grade drops 10 points. At 8:00 pm, the grade will drop 20 points, etc. The time is set by the individual instructor so 7:00 pm is only an example.
- It shall be considered a breach of academic integrity (cheating) to use or possess on your body any of the following devices during any examination unless it is required for that examination and approved by the instructor: Cell phone, smart watch/watch phone, laptop, tablet, electronic communication devices (including optical), and earphones connected to or used as electronic communication devices.
 - a. Cheating on any (lecture/lab) exam results in immediate dismissal from the program and an F for the course.
- All exams will be done online through BlackBoard. You will be using LockDown Browser with Webcam and screen monitoring. The rules for the tests are:
 - Disable all notifications on your computer. This is how LockDown Browser is used to take a test.
 - Locate the "LockDown Browser" shortcut on the desktop and double-click it. (For Mac users, launch "LockDown Browser" from the Applications folder.)

- If prompted to close a blocked program (e.g. screen capture, instant messaging) choose **Yes**.
- Log into the course, navigate to the test and select it.
- A Startup Sequence will guide the student through a webcam check and other items required by the instructor.
- The test will then start.

20-point deductions for each of these occurrences:

- Where you are taking your exam must be well lit.
 - If it is not well lit, you will have **20 points** deducted from your test.
- Your face must be visible the **entire length** of the test.
 - If your face cannot be seen even for a few seconds you will have **20 points** deducted from your test.
- No music should be playing nor should a TV/radio/video be on in the background.
- **You may not read the questions out loud.**
 - If you do so, you automatically receive a **20-point deduction**.
- You may not wear sunglasses, hats, hoodies, earbuds, headphones, etc. during the exam. Your ears must be fully visible the entire exam.
 - Failure to comply with this will be a **20-point deduction**.
- ***If you do any of this on another exam it will turn into a 50-point deduction***

50-point reduction or a zero on the entire test

- You must be in a private location. If another person is seen or heard while you are taking your test this could be misconstrued as cheating.
 - If this happens there will be a **50-point deduction** or a zero. This depends on the situation and is at the discretion of your instructor.
- All phones, notes, books, and other papers must be removed from the testing location.
 - If these items are seen during your exam, you receive an **automatic zero** on the exam.
- Do NOT leave the exam room for any reason, if you do.
 - This is an automatic **50-point deduction**.
- Any suspicious activity that appears to be cheating will result in a **zero**.

Testing Tips

1. You must use Google Chrome browser.
 - You must have a webcam and a microphone attached to your computer
 - Be prepared to scan the room with a camera, if you cannot move your computer, you will need to have a mirror available to assist with scanning the room.
2. It is the **student's responsibility** to ensure that ALL of the above requirements are met. By completing the verify signature portion of the exam, you are accepting responsibility for your actions during the exam.

3. Failure to follow these requirements will result in deductions from your exam grade when reviewed by your Instructor.
- There is no extra credit given for this course.
 - **YOU WILL GET ONE TEST RESET PER SEMESTER!!**
