Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI), such as ChatGPT, have changed the landscape of many career disciplines and will impact many students in and out of the classroom. To prepare students for their selected careers, LIT desires to guide students in the ethical use of these technologies and incorporate AI into classroom instruction and assignments appropriately. Appropriate use of these technologies is at the discretion of the instructor. Students are reminded that all submitted work must be their own original work unless otherwise specified. Students should contact their instructor with any questions as to the acceptable use of AI/ChatGPT in their courses

You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. ADDITIONAL COURSE POLICIES/INFORMATION
- **Respectful participation in class discussions is expected. At times, students may have differing viewpoints from those of their classmates. Disagreements lead to critical thinking, scholarly debates, and learning, however, disrespect for the opinions of others will not be tolerated.**
- **It is my policy that I do not accept late work. I also know that there are sometimes unforeseen circumstances that arise where exceptions should be made. Please contact me if something happens, so that arrangements can be made. THERE IS NO EXCUSE FOR HABITUALLY TURNING IN ASSIGNMENTS LATE.**

- **I prefer emails from your LIT Account. There is sometimes a delay with using Blackboard Messenger.**
- **I check all written assignments for AI generated content. I reserve the right to fail an assignment if I find it has been either plagiarized or AI generated. This is especially true on discussion posts. I am more interested that you understand the material. You can express this using your own words through discussion posts.**
