FAQs

1. How quickly are assignments graded in this class?

Assignments are graded usually within one week.

2. How do I know what grade I made on an assignment?

Assignment grades may be accessed through My Grades in Blackboard. Each assignment shows your grade and any comments that are made regarding that assignment.

3. How do I study for exams?

Utilize your module assignments/quizzes/study guides in preparation for your module exams and the comprehensive final exam.

You can access them through My Grades on Blackboard. My suggestion is to print the assignments out to use as study references. (If it won't allow you to print them, copy and paste the questions and answers into a word document, save it, and print it out that way).

4. What time are my assignments/exams/discussions due?

All assignments, labs, quizzes, exams, and discussions are due at 11:59 PM on the due date listed. Your work is expected on time. You may work ahead, but makeup work may only be done with permission, must be requested after the Makeup Work announcement and before the last week of the semester. All makeup work is due by the last day of the semester. If makeup work is requested and not done, the grade will return to a 0.
