2. Be aware of the lab attendance policy. It is your responsibility to ensure that you sign-in weekly. **NO EXCEPTIONS.**
 - Class attendance is crucial. The student must remain in lab until class is dismissed. Leaving the lab early will result in an absence being awarded.
 - Laboratory – On the third absence, the student will be dropped one letter grade from his/her final semester average. On the fourth absence, the student will receive an F for the semester. Remember this lab class is only one day per week.
3. Lab attendance is **MANDATORY** and will be taken every week at the beginning of class. If you are tardy, it is the student's responsibility to inform the instructor to ensure that you are marked present.
