Final grades will be calculated according to the following criteria:

- Daily work (19 Assignments) 38%

• Project Exams (9 Test)	32%
• Capstone Projects (3 Exams)	30%

There is an opportunity for Extra Credit. Each Unit Exam will have a Lesson Review. This counts for as much as 3 points added to your final grade. There are 3 Lesson Reviews so there is an opportunity to earn as much as 9 points added to your final grade. Almost a whole letter grade. There is an Extra Credit column in the gradebook. The final grade will be adjusted after the grades are all complete, adding your Bb Final Grade with Extra Credit points. This is the grade that will go in Self-Service Banner. These Lesson Reviews have an End Date. So, don't wait to see if you need the extra credit and try to do all 3 at the end of the semester.
