

Introduction to Homeland Security (HMSY 1337) Online

Credit: 3 semester credit hours (3 hours lecture)

Prerequisite/Co-requisite: Complete the Online Orientation and answer yes to 7+ questions on the Online Learner Self-Assessment:

<http://www.lit.edu/depts/DistanceEd/OnlineOrientation/OOStep2.aspx>

Course Description

This course provides an overview of homeland security; an evaluation of the progression of homeland security issues throughout Texas and the United States; and an examination of the roles undertaken and methods used by governmental agencies and individuals to respond to those issues. *This course is time-bound, structured, and completed totally online.*

Required Text and Materials

1. Homeland Security: An Introduction to Principles and Practice, by Charles P. Nemeth, 3rd ed., ISBN: 9781498749091, CRC Press.

Course Objectives

1. List the key events and people that have affected homeland security
2. Outline the specific roles that individuals and governmental agencies play in homeland security
3. Prepare a summary of programs and methods used to meet the homeland security needs of Texas and the United States

out of the Box

Grade Scale

90 – 100	A
80 – 89	B
70 – 79	C
60 – 69	D
0 – 59	F

Course Evaluation

Final grades will be calculated according to the following criteria:

Unit Tests	40%
Course Project	25%
Discussions	25%
Final Exam	10%

Course Policies

1. You must log onto Blackboard and access this course a minimum of three times per week.
2. Cheating of any kind will not be tolerated.
3. If you wish to drop a course, the student is responsible for initiating and dropping the course. If you stop logging-in to the course and do not complete the course drop process, then you will receive an “F” grade for the course
4. Internet Usage – Students are expected to use proper net etiquette while participating in course emails, assignment submissions, and online discussions.

Technical Requirements (for courses using Blackboard)

The latest technical requirements, including hardware, compatible browsers, operating systems, software, Java, etc. can be found online at:

https://help.blackboard.com/en-us/Learn/9.1_2014_04/Student/015_Browser_Support/015_Browser_Support_Policy A functional broadband internet connection, such as DSL, cable, or WiFi is necessary to maximize the use of the online technology and resources.

Disabilities Statement

The Americans with Disabilities Act of 1992 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. Among other things, these statutes require that all students with documented disabilities be guaranteed a learning environment that provides for reasonable accommodations for their disabilities. If you believe you have a disability requiring an
