

## **Instrument Drafting Technology (DFTG 2308)**

**Credit:** 3 semester credit hours (2 hours lecture, 4 hours lab)

**Prerequisite/Co-requisite:** DFTG 1309

### **Course Description**

Principals of instrumentation as applicable to industrial applications; fundamentals of measurement and control devices; currently used ISA (Instrument Society of America) symbology; basic flow sheet layout and drafting practices.

### **Required textbook and materials**

1. Instrumentation and Control System Documentation, ISA Publisher  
Authors: Frederick Meier and Clifford Meier  
2<sup>nd</sup> Edition, ISBN-13: 978-193600751 ISBN-10: 1936007517
2. Flash Drive – 1GB minimum
3. Access to computer with AutoCAD
4. Notebook

### **Course Objectives**

Upon completion of this course, the student will be able to:

1. Identify and draw ISA symbols.
2. Draw basic flow sheet layouts.
3. Identify principles of PFD and P&ID development.
4. Identify flow sheets, plot plans and piping interrelationship.
5. Prepare flow sheet (process and mechanical) diagrams.
6. Draw instrument loop diagrams and details.

### **Course outline**

- A. Introduction
  1. Introduction of faculty and staff
  2. Review syllabus
  3. Review class policies
- B. Instrumentation basics
  1. Instrumentation symbols
  2. Block symbols
- C. Instrumentation diagrams
  1. PFDs (Process Flow Diagrams)
  2. P&IDs (Piping and Instrument Diagrams)
  3. Loop diagram
- D. Miscellaneous instrument drawings
  1. Instrument location plans and details
  2. Instrument junction box details

### **Grade Scale**

90-100	A
80-89	B
70-79	C
60-69	D
0-59	F

### **Course Evaluation**

Varies by instructor.

### **Course requirements**

1. Learn principles of instrumentation as applicable to industrial applications
2. Learn fundamentals of measurement and control devices
3. Learn currently used ISA (Instrument Society of America) symbology
4. Learn basic flow sheet layout and drafting practices

### **Attendance Policy**

Varies by instructor.

### **Course Policies**

1. No food, drinks or use of tobacco products in class.
2. No foul or harsh language will be tolerated.
3. Turn off all cell phones during lectures.
4. Headphones may be worn only upon instructor approval.
5. Do not bring children to class.
6. No cheating of any kind will be tolerated. Students caught cheating or helping someone to cheat can and will be removed from the class for the semester. Cheating can result in expulsion from LIT.
7. If you wish to drop a course, the student is responsible for initiating and completing the drop process. If you stop coming to class and fail to drop the course you will earn an "F" in the course.
8. Back-ups  
It is the student's responsibility to make back-up copies of their work. Do not rely on the server to be there 100% of the time. I cannot help you if you lose your work. Remember that in order for your work to be graded it must be turned in.
9. Internet usage
  - a. Classroom computers have access to the internet.
  - b. Student usage of the internet will be monitored.
  - c. Proper usage of the internet will be allowed to be used for classroom research or as directed.
  - d. Any unauthorized use of the internet will not be tolerated.
  - e. Improper usage of the internet, such as profanity, pornography, gambling, etc.

will result in disciplinary action not limited to expulsion from LIT.

### **Disabilities Statement**

The Americans with Disabilities Act of 1992 and section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. Among other things, these statutes require that all students with documented disabilities be guaranteed a learning environment that provides for reasonable accommodations for their disabilities. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409) 880-1737 or visit the office in Student Services in the Cecil Beeson Building.

### **Student Code of Conduct Statement**

It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the LIT Catalog and Student Handbook. The LIT Catalog and Student Handbook may be accessed at [www.lit.edu](http://www.lit.edu) or obtained in print upon request at the Student Services Office.

### **Supplemental Instruction**

Supplemental Instruction (SI) consists of group tutoring sessions conducted once a week for 50 minutes for selected subjects. The SI Leader is a peer who helps students learn difficult content in those specific courses. The SI Leader attends the class with the students to keep up with the course content and engage students in interactive learning strategies at the 50 minute sessions. For this course, the supplemental instruction session will be held on “day” at “time” in “bldg/room”.

### **Starfish**

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.
