## ATTENDANCE POLICY

Students must attend class every scheduled class day. The instructor counts attendance using Starfish every scheduled class day. The instructor allows two unexcused absences; however, any absences beyond the two unexcused absences will affect the student's attendance grade (20% of the total grade). If the student is tardy to class, the student is counted as being late. If the student leaves class early, without prior notice to the instructor, then the student will be counted as absent for that day.

## DROP POLICY

If you wish to drop a course, you are responsible for initiating and completing the drop process by the specified drop date as listed on the [Academic Calendar](#). If you stop coming to class and fail to drop the course, you will earn an "F" in the course.

## STUDENT EXPECTED TIME REQUIREMENT

For every hour in class (or unit of credit), students should expect to spend at least two to three hours per week studying and completing assignments. For a 3-credit-hour class, students should prepare to allocate approximately six to nine hours per week outside of class in a 16-week session OR approximately twelve to eighteen hours in an 8-week session. ## **ADDITIONAL COURSE POLICIES/INFORMATION**

1. **QUIZZES:** Students will take quizzes in class, unless otherwise noted. There are **two** types of quizzes: **primary source reading quizzes** and **lecture review quizzes**.
  - a. **Primary source reading quizzes:** These quizzes are worth 10 points each, unless otherwise noted. These quizzes are based on the information the student reads from the **primary source readings**, as scheduled.

b. **Lecture review quizzes:** These quizzes are worth 10 points each, unless otherwise noted. These quizzes are to test the student's knowledge over **lecture material** and serve as a review for the class.

c. Students that miss in-class assignments (like quizzes) cannot make up the assignment unless the student is out because of a **documented sickness or a documented school-related absence**. The student must receive permission from the instructor to make up a missed assignment.

d. Any student caught **cheating** on a quiz will receive a **zero** for that quiz. Cheating on a quiz includes looking at classmates' quizzes or using one's phone during the quiz. Other pop quizzes and in-class assignments can be given **randomly**. Pop quizzes and in-class assignments will be worth 10 points each, unless otherwise noted.

2. **EXAMS:** study material for the exams will come primarily from the **in-class/recorded lectures**, as well as the material that students read in the **primary source documents**. Exams are worth **100 points total**.

a. Students that miss a test are only allowed to make up the exam if the student has an **unavoidable emergency**. The student must **contact** the instructor as soon as possible to schedule a make-up exam.

b. Any student caught **cheating** on an exam will receive a **zero** on that exam. Cheating on an exam includes using sources like Wikipedia to answer questions. **DO NOT USE WIKIPEDIA TO STUDY FOR THE EXAM.**

The instructor will **not accept** the book assignment after **4 days past the due date**. Students will receive a **zero** for the book assignment if they do not turn in their book assignment.

c. **Plagiarism** will not be tolerated. The student should not use **ANY** internet sources to help them with this assignment (unless the student needs information on the author). If the student plagiarizes on the book assignment, the student will receive a **zero** for the assignment. The online software will show some plagiarism on the book assignment, especially if you use quotes from the book. Just make sure you are properly citing the quote with page numbers and quotation marks.
