ATTENDANCE POLICY

Regular class attendance is important to the attainment of the educational objectives of the college. The cosmetology program has formulated an attendance policy that is consistent with the objectives of the program and the needs of the student to fulfill all necessary requirements needed.

Poor attendance is a leading reason for termination from a job in all areas of employment. With this factor in mind, the instructor monitors student course activity daily.

Attendance is 20% of your overall grade, and will be monitored daily.

DROP POLICY

If you wish to drop a course, you are responsible for initiating and completing the drop process. If you stop coming to class and fail to drop the course, you will earn an "F" in the course.
