If the instructor notices a student has not signed on to Blackboard in at least a week, the instructor will create a Starfish report about the student's attendance.

In-Class/Hybrid Students are expected to attend class in a timely manner. After three unexcused absences, two points will be deducted from the final grade each day a student continues to be absent. Additionally, the instructor will create a Starfish report about the student's attendance.

Communication is important- students should contact the instructor for missed attendance or assignments.
