Tuesday, July 09 Due by end of class 2:20 pm

***If you choose option 2, you do not need to attend Monday, except for lab, if you wish to complete any lab assignments.**

Your prewriting topic and your essay organization outline will be the final exam topic. You will type your essay in class and you may use a rough draft of your essay and your outline. Only your prewriting topic from assignment 4.0 can be used. Do not change your topic as it will not be accepted. If you do not have a topic, one will be assigned to you by your instructor on the day(s) of the final exam. It is to your benefit to have an outline, from your own chosen topic, so you are not writing an "impromptu essay". No research is required for this essay.

**No 0373 assignments are not accepted or graded after 11:59 PM, the last day our class meets, Tuesday, July 09. Also, 10 points will be taken off for each late assignment which is not submitted or attempted until 2 weeks before the last day our class meets. This also includes second or third attempts on previous attempts submitted. This is because regrading these assignments or grading many assignments in a short space of time is very difficult and requires a lot of extra time.

All Khan Academy Assignments are due by Tuesday, on or before 11:59 PM...No Khan Academy assignments will be accepted after this date.

Assignment and Grading Information

*****ASSIGNMENT SUBMISSIONS**

Each assignment, in Blackboard, has an answer document attached, or a blank document attached (except for some in-class (extra credit) assignments which do not require separate document submission). This answer document or blank document which is attached to the assignment areas, must be used to answer questions or complete paragraphs or essays. If the above documents are not used, then I will not accept the submission (s). In addition, I will only accept answer documents in “word” or office 365, which is available to students. I do not accept any assignments in my LIT email, or documents in Pages (iPhone submissions), shared Google documents, images, pictures, JPEG, or links. These documents are not processed by Blackboard Safe Assign which all students must agree to use before document submission. If you do not have “word” on your PC, then use the computers on campus, or call the Tech Center at 409 839 2074.

*I do not accept any assignments after the semester’s last day our class meets, as posted in the current academic calendar. All assignments, EXCEPT THE FINAL EXAM, (The final exam is due on the day and time it is administered per the assignment schedule and cannot be made up). Your instructor will give each class the final exam date. A STUDENT MUST BE PHYSICALLY PRESENT TO TAKE THE FINAL EXAM OR A ZERO WILL BE GIVEN FOR THE FINAL EXAM GRADE.

*****0373 Assignments and Late assignment submission policy:**

****No Assignments for 0373 are accepted after 11:59 PM, the last day our class meets, Tuesday, July 9th for Summer I 2024 session...(This does not apply to the final exam, which is to be completed and submitted in the assignment schedule above...generally, by the end of the regularly scheduled class time.) Also, 10 points will be taken off for each late assignment which is not submitted or attempted until 2 weeks before the last day our class meets. This also includes second or third attempts on previous attempts submitted. This is because regrading these assignments or grading many assignments in a short space of time is very difficult and requires a lot of extra time.**

***All Khan Academy assignments are due before the close of the last day of classes, Tuesday, July 09, by 11:59 pm for Summer I 2024 session. No units or assignments will be reopened after they close.**

Students who are unable to participate in class or timely submit assignments due to injury/illness must provide documentation from a licensed healthcare provider verifying dates the student is excused from work/school. This also applies to the FINAL EXAM (see above information). Medical documentation must verify the beginning date of injury/illness as well as the ending date (date of return). Medical documentation must be submitted within 5 days of the injury or illness and missed work must be submitted within a week after this documentation.

Academic Honesty

*Academic honesty is expected on all assignments. Please see the LIT student handbook for more information about academic honesty and the penalty for breaking academic honesty.

*Plagiarism is submitting someone else's work, either published or not, as your own, and is not allowed. Plagiarism includes patchworking together assignments from any type of internet search. You also may not use your own work from a previous class in my class, even if it was my class. If a student used a previous essay topic or paragraph topic for my class, or another class, then a different topic for these assignments must be chosen, or the assignment will not be accepted. If an assignment is plagiarized, then I do not allow anymore attempts on those particular assignments.

*All writing assignments are submitted to SafeAssign in Blackboard to be reviewed for plagiarism, **but this is not the only method I use to check for plagiarism.**

Students who plagiarize may receive an "O" or and "F" for the entire course.
