

POLICY LIT.2.01 SAFE AND HEALTHY CAMPUS ENVIRONMENT

SCOPE: Faculty and Staff

Lamar Institute of Technology (LIT) is committed to providing a safe and healthy campus environment. The goal of LIT's Safe and Healthy Campus Environment Policy and related procedures is to develop positive attitudes regarding safety and well-being for all employees, students, and visitors.

1. All management personnel are to be cognizant of the safety needs of their employees and the general public. It is essential that all management personnel recognize and accept this responsibility.
 - 1.1. Management personnel are charged with the responsibility of initiating necessary preventive measures to control safety hazards.
2. Safety shall be incorporated as an integral part of all LIT programs.
3. In the interest of employee safety and accident prevention, full participation and cooperation of all employees is essential.
 - 3.1. All employees are expected to familiarize themselves and comply with all safety instructions, plans, and manuals applicable to their specific work assignments.
