## WE'LL HELP COVER YOUR TUITION SO YOU CAN FINISH STRONG!

We understand these are challenging times, so we're here to help you cross the finish line and earn your degree! If COVID-19 has impacted your job, interrupted your education plans, or made it tough to commit financially, LIT has a solution!

The LIT Finish Strong Program covers the cost of your tuition (\$2,500 max), as long as you're participating in one of our eligible programs and you meet some basic student requirements, so you can finish fast, debt-free!

Plus, if you're already enrolled in one of these listed programs for Fall 2021, the tuition you've already paid may even be reimbursed!
