

PROCEDURE LIT.9.11.01 APPOINTMENT OF PROGRAM DIRECTORS

SCOPE: Faculty

The appointment of Program Directors shall be the responsibility of the Provost upon the recommendation of the Dean and the Department Chair with oversight responsibility for the program. The need for a program director is a decision based upon several criteria including, but not limited to:

- requirement of an external accrediting agency;
- requirement of a program accreditation standard;
- number of student majors;
- number of faculty within a program;
- number of courses scheduled by semester;
- level of oversight of all program facilities;
- level of oversight regarding the safety of students;
- external learning sites established by the program;
- responsibilities of the program director;
- associate degree and certificate programs;
- a campus and off-site clinical facility that provides services to the public; and
- overall program management.
