Greetings:

The 21st Annual Lamar Institute of Technology (LIT) **A Salute to the Real American Heroes** event honoring Southeast Texas first responders will be held **Thursday, September 8, 2022, at 6:00 p.m.** at the Beaumont Civic Center, 701 Main Street, Beaumont.

All the proceeds from this event benefit the LIT Foundation and provide scholarships for students majoring in Emergency Management and Homeland Security, Criminal Justice, Emergency Medical Technology, Regional Police Academy, and Regional Fire Academy programs at LIT.

Uniformed or civilian clothed first responders, uniformed military personnel, and their guest, are invited to attend for free with a required reservation. Dinner will be provided.

At the event this year, we will honor the members and agencies of the Sabine Neches Chiefs' Association (SNCA). This year's speaker and honoree will be The 100 Club of Southeast Texas President, Joe Penland, Sr.

We know that you are asked many times to help others and you amaze our community with your generosity. We also know that you hold emergency responders and medical professionals in high regard. The scholarships funded by this event will provide training opportunities for future first responders and make you proud.

We are asking for your support to this event. Contributions and reservations may be made on the attached sponsor form or on the LIT website at www.lit.edu or by mail to Lamar Institute of Technology Foundation. For more information, please contact Mandy Clayton by email foundation@lit.edu or telephone (409) 839-2956.

We appreciate your support of LIT students.
