

# RADIOLOGIC TECHNOLOGY PROGRAM EFFECTIVENESS DATA

## PROGRAM COMPLETION RATE

Program Completion data is defined as the number of students who complete the Radiologic Technology Program within 150% of the stated program length (3 years).

YEAR	PERCENT COMPLETION	NUMBER OF STUDENTS
2013	90%	# students to start in Fall '11 – 31 # students to complete program in 150% of time – 28
2014	83%	# students to start in Fall '12 – 29 # students to complete program in 150% of time – 24
2015	87%	# students to start in Fall '13 – 23 # students to complete program in 150% of time – 20
2016	73%	# students to start in Fall '14 – 22 # students to complete program in 150% of time – 16
2017	92%	# students to start in Fall '15 – 26 # students to complete program in 150% of time – 24
2018		# students to start in Fall '16 – 30 # students to complete program in 150% of time –
<b>5 year average</b>	<b>85.5%</b>	112/131 = 85.5

## CREDENTIALING-EXAM PASS RATE

The Credentialing Exam Pass Rate records the percentage of students who pass the American Registry Radiologic Technologists (ARRT) credentialing exam on their first attempt, within six months of graduating from the Radiologic Technology Program.

YEAR	% PASSING ON 1 <sup>st</sup> ATTEMPT	NUMBER OF STUDENTS
2014	71%	15 students out of 21 examinees passed on 1 <sup>st</sup> attempt
2015	95%	18 students out of 19 examinees passed on 1 <sup>st</sup> attempt
2016	93%	13 students out of 14 examinees passed on 1 <sup>st</sup> attempt
2017	72%	13 students out of 18 examinees passed on 1 <sup>st</sup> attempt
2018	85%	22 students out of 26 examinees passed on 1 <sup>st</sup> attempt
<b>5 year average</b>		81/98 = 82.6

## **JOB PLACEMENT RATE**

Job Placement records the percentage of graduates employed in the field of radiology within twelve months of graduating from the Radiologic Technology Program compared to the number of students who actively sought employment.

<b>YEAR</b>	<b>PERCENT JOB PLACEMENT</b>	<b>NUMBER OF STUDENTS</b>
2013	92% within <u>12 months</u> of graduation	22 of the 24 students are employed; 4 not actively seeking employment
2014	94% within <u>12 months</u> of graduation	17 of the 18 students are employed; 3 not actively seeking employment
2015	100% within <u>12 months</u> of graduation	18 of the 18 students are employed; 1 did not actively seek employment
2016	100% within <u>12 months</u> of graduation	14 of the 14 students are employed; 3 did not actively seek employment
2017	100% within <u>12 months</u> of graduation	14 of the 14 students are employed; 4 did not actively seek employment
<b>5 year average</b>	<b>96.6%</b>	85/88 = 96.6
