- A student may continue receiving aid for one additional time only per previously passed course.
- Course repetitions required by a degree plan are exempt.
- Any reduction in enrollment status will affect financial aid award amounts.
- Official enrollment status for reporting, insurance, and loan deferment will include repeated courses.

SATISFACTORY ACADEMIC PROGRESS (SAP)

LIT is required by federal regulations to have a policy in place for monitoring the academic performance of our students. Guidelines require that financial aid recipients be making satisfactory progress toward their declared program of study.
