She did a really good job on helping me understand this course.

Professor is absolutely amazing. I have enjoyed the course thus far and have learned a lot.

This is my first time taking online classes. Ms. Booth is making it easy for me.

I have really enjoyed my class with Professor Booth. The class material was interesting, informative and well presented.

I loved this course and the professor! Thanks Ms Booth!

You have made this course very easy to work through. It has given me plenty of insight for the future. I look forward to taking more classes from you

Mrs. Booth's online class has been educational, challenging, yet clear and concise in her expectations.

I love this class and the instructor! I'm learning a lot, and it's easy to follow, and it's interesting, and she returns grades fast. 10/10

This online class is basically the text book put online. Besides the report over a specific country. I believe the institution needs to incorporate more innovative learning, especially online. With the school having Technology in the name it should be reflected in the courses. I do enjoy the flexibility of an online course.

This instructor does a great job of setting this course up in blackboard. All of the course content is together and easy to access, the supplemental content is interesting and fun, and the TASK list makes it so easy to keep on track (it would be nice if all courses used the task list). I really love how easy it is to navigate this class and focus on the subject matter. Great job. Thank you.

Very good online course, everything is organized and explainable, easy to access and understand!

She is a great professor and does everything as the syllabus says. I love how she has a task page that can be used to keep up with work that needs to be done.

I am truly enjoying this class. I deal with a lot of HR situations on my job.

I like being able to discuss the chapters with the people in my class , and reading the book on my own first Online class and I am glad Mrs Kara Booth made it easier to understand

This is my 4th class with Professor Booth and she is wonderful. He always answers questions fast and helps when needed.

I love Ms. Booth, I have taken several of her classes and wish that she was my professor for more of my classes.
