Thank you for pushing me when I was lacking.

Dr. Barron runs a tight lab course. He is fair, and will work with you, but you must keep an open line of communication with him for that trust to be given. Dr. Barron is always concerned for his students and he makes you work for your grade. He is very no nonsense, but flexible if he knows you are doing the work.

Great Teacher

Dr. Barron is very attentive to email communication. Questions are answered promptly and assignments are graded within a reasonable amount of time. Keeping an open line of communication is a very effective for online courses.

Dr. B is a great teacher.!
