Comments or Suggestions:

It would be nice to know how Mr. Mires views our work as students. If I get an 85 on a discussion in a class most of my insturctors would explain why in a comment advising me on what I may have missed or if I did not understand the concept. Other than that Mr. Mires returned graded work promptly.

Compared to my Econ class, this course content was a little more difficult to navigate. My ECON class uses the Task functions that list out all assignments due and allows you to mark them complete and also uses the course content for information on assignments. All of the information was in blackboard. Where as this class I had to constantly go back to the syllabus for assignment info. It's not bad, I just like the other way better.
